- 3 High beam flasher (high beam available independent of exterior lamp switch position)
- 4 Turn signals, right
- 5 Turn signals, left

P82-0073-B13

6 Control for

- windshield washer system
- headlamp cleaning system (will work only with exterior lamp switch in position  or 

Canada only:

Also in position  when the engine is running)

When the washer system is activated, the wiper also operates for a limited time.

7 Windshield wiper control

- 0 Wiper off
- I Intermittent wiping
- II Normal wiper speed
- III Fast wiper speed

Note:

The reservoir, hoses and nozzles of the windshield washer and headlamp cleaning systems are automatically heated.

To operate the turn signals, move the combination switch past the point of resistance (up or down). The switch is automatically canceled when the steering wheel is turned to a large enough degree.

To signal minor directional changes, such as charging lanes on a highway, move combination switch to the point of resistance only and hold it there.

Operation
