The boundaries between outside and inside are blurred in a Cabriolet – and even in the Coupé, which, without a B-pillar between the windows, is among the most open in its class. But we've put together a few tempting offers here to make contact with the outside world as pleasant and effective as possible for you. We're sure you'll come to appreciate them in the heart of your CLK-Class.

**Fixed sunblind, rear window** | above left |

**Roller blind, rear side window** | above right |

Simple to use and convenient, offering optimum protection from sunlight | available for the Coupé only |

**Illuminated door sill panel**

In high-quality stainless steel with CLK lettering and “fin” design element. Available with integral blue light strip

### Mercedes-Benz iPod® Interface Kit<sup>3</sup>

It's never been easier to take your favourite music with you when you're on the move. The Mercedes-Benz Interface Kit provides an elegant and functional way to integrate your iPod into your CLK-Class's audio system.

The iPod is connected to the system inside the glove compartment, where it is hidden from prying eyes. While you're on the move, you can scroll through the playlists, select songs and control the playback and volume using the buttons on the multifunction steering wheel. Your iPod's battery is also recharged.

The current status of your iPod appears in the central instrument cluster display, helping you to keep your attention focused on the traffic.

It's easy to control your iPod via the multifunction steering wheel:

- ▶ Select the iPod menu and scroll through the options
- ▶ Adjust the volume, playback
- ▶ Display current artist/title

<sup>3</sup> For 3rd generation iPod, 4th generation iPod, iPod Mini, iPod Photo and iPod U2 only

**CD holder**

Push-to-open design. Case, installed in glove compartment, holds up to 6 CDs, protecting them from dust and sunlight

**CD changer**

Compact CD changer for up to 6 CDs.  
MP3-compatible
