Magic moments

A drive in an M-Class is one of the most magnificent experiences the automotive world has to offer. This vehicle class is one in which Mercedes-Benz leads the way and one which, indeed, may never have existed if it hadn't been for the M-Class.

We now offer you even more ways to build on your car's status.

incenio designer wheels, for example, provide a simple and effective way to transform your M-Class.

Other magical ways to personalise your car can be found overleaf.

Gyas | 5-spoke wheel

incenio designer wheel
Finish: sterling silver

Wheel: 8 J x 18 ET 60 | Tire: 255/55 R18
B6 647 4216

Wheel: 7.5 J x 17 ET 56 | Tire: 235/65 R17
B6 647 4247

Tire pressure gauge

Compact design. Saves readings. Suitable for all tire valves (including bicycle tires). Keeping tires at the optimum pressure saves fuel and reduces tire wear. Supplied with leather pouch

Hub caps

Protect the hub from dirt.

Available in the following versions:

- 1 | Classic Roadster design in blue
- 2 | Classic Roadster design in black
- 3 | Sterling silver with chrome star
- 4 | Titanium silver with chrome star

Snow chain systems

The RUD-matic snow chain has a user-friendly design and can be fitted and removed quickly. With extra-reinforced chain links for the toughest conditions and excellent traction on snow and ice, it is a reliable companion in wintry road conditions. Your Mercedes-Benz partner will be happy to advise you on this and other snow chain systems

Mud flaps

Protect the underbody and the sides of the car from loose chippings and dirt. For front and rear axles

Side step bars

Made from polished stainless steel. Plastic step plates make getting in and loading the roof easier | also pictured on page 4 |

Fog lamp surrounds

Brilliant detail: high-shine surrounds
for your M-Class's fog lamps

Chrome add-on parts for your M-Class

The Mercedes-Benz M-Class is a dazzling presence on today's roads. The chromed add-on parts shown here allow you to add further highlights: high-brilliance flashes of light, high-contrast design accents and even protection for the paintwork in the door handle recesses. These additions are the perfect complement for every M-Class – and because they are developed using the CAD vehicle data, they are precision-tailored to your vehicle and are simple to fit.

A brilliant outlook, we're sure you'll agree.

Door handle recesses
Exterior mirror cover
Fin attachments
Fog lamp surrounds

Fin attachments for hood

High-sheen chromed. Available as a 6-piece set

High-sheen chromed exterior mirror cover

Rounds off your M-Class's chrome finish and protects the paintwork from scratches. Available as a 4-piece set

High-sheen chromed door handle recesses

Round off your M-Class's chrome finish and protect the paintwork from scratches

EXTERIOR

Roof spoiler

The roof spoiler is precision-tailored to the M-Class bodywork for a strikingly sporty look. Supplied primed. To be painted in body colour by your Mercedes-Benz partner

*Load sill protection
Roof spoiler
Underguards*

**Simulated underguard, rear
Simulated underguard, front**

Attractive, eye-catching element made from stainless steel. A visual highlight that upgrades the exterior appearance. Brilliant addition to the sterling silver painted radiator grille with chrome trim. Front and rear underguards available separately | pictured on p 12 |

Load sill protection

With polyurethane coating to prevent the bumper from being scratched

iPod® integration

TELEMATICS

More music

When you drive an off-roader, the usual boundaries don't apply. So why limit your musical explorations?

Listen to music from the MP3 player of your choice, from your iPOD or iPhone fully integrated into the audio system.

iPod/iPhone holder¹

Black plastic holder for the glove compartment. Holds your iPod in place. Soft, flock surface protects the player from scratches and prevents it sliding around

¹ The Mercedes-Benz Interface Kit allows you to listen to the music on your iPhone. It does not support the phone function

The iPod Interface Kit and the iPod holder are compatible with the following models:
iPod from 4th generation | iPod video | iPod photo | iPod U2 | iPod mini | iPod nano 1st, 2nd and 3rd generations | iPod classic | iPod touch | iPhone
iPod/iPhone holder cannot be used in conjunction with Media Interface consumer cables

iPod® integration

Mercedes-Benz iPod® Interface Kit¹

It's easy to control your iPod via the multifunction steering wheel: scroll through the menus [A], adjust the playback and volume [B] and display the artist/title of your choice in the instrument cluster [C].

As with the Mercedes-Benz Media Interface, the connection for your iPod is in the glove compartment and the device is charged while connected. No factory-fitted optional extra required

Interior appointments

INTERIOR

My M-Class

This section is packed with products that offer a little extra comfort – genuine accessories tailored to your very specific comfort needs.

All-weather floor trays

Designed specifically to match the contours on the floor, these flexible plastic floor trays feature high sides to help contain dirt and liquids.

All-season mats

Durable, hardwearing materials. Can be clip-fastened to the floor of the vehicle to prevent slipping

Vario bag

Plenty of extra stowage space for the really important things in life. Available in three designs: “DaimlerSquare” | pictured |, “Angel & Driver”, Alcantara, java

Wood/leather steering wheel

burl walnut | black

The wood/leather steering wheels are also available in other colours to match the interior

Coat hanger

Robust coat hanger made from chromed metal and plastic. Easy to fit to the front head restraints. The ideal way to transport items of clothing without creasing them

Cleanbag

The ideal way to keep the interior clean when you're on the move: the small “Cleanbag” is simply attached to the net in the front passenger footwell

Back cushion

Ergonomic, individually adjustable cushion, designed to support the back on long journeys. Available in anthracite

- Back cushion*
- Cleanbag*
- Coat hanger*
- Door sill panels*
- Floor mats*
- Floor trays*
- Vario bag*
- Glasses case*
- Wood/leather steering wheel*

INTERIOR

Illuminated door sill panels

The blue illuminated Mercedes-Benz lettering is activated every time you open the door to get in or out. These illuminated door sill panels, in ground stainless steel, are a further “highlight” of the M-Class

Glasses case

Universal - adjusts to different sizes of glasses/sunglasses

Carrier systems
Load compartment accessories

CARGO & CARE

Moving mountains

The journey is the destination – an axiom that applies to your M-Class but also to your skis, your snowboard or your bikes.

Whichever sports equipment you prefer, the roof carrier system included in the range of genuine accessories effectively supports your sporting ambitions.

Just as you would expect of your M-Class.

Mercedes-Benz roof boxes

Elegant, aerodynamic design, made for your Mercedes-Benz. High-quality, extremely durable material. Available in titanium metallic [A] and matt silver [B] and the Mercedes-Benz roof box L is now also available in calcite white [C]

1 | Mercedes-Benz roof box L

family box | Capacity: approx. 450 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert

2 | Mercedes-Benz roof box M

sports box | Capacity: approx. 330 litres. Available with opening on right or left. Optional accessories: luggage set and ski rack insert

3 | Mercedes-Benz roof box S

weekend box | Capacity: approx. 400 litres. Available with opening on right or left

New Alustyle basic carrier bars

Used in conjunction with other roof accessories, the New Alustyle system opens up a wealth of flexible options when it comes to transporting sports equipment and luggage. The rail-mounted basic carrier bars also ensure the highest degree of safety and aerodynamics

Luggage set

| for Mercedes-Benz roof box L |

Four bags, designed to make perfect use of the space available in the roof box L. Made from hardwearing, water-repellent polyester. Plus two matching ski bags, each designed to hold max. two pairs of skis. Ski bag also available separately

Luggage set

| for Mercedes-Benz roof box M |

Four bags made from hardwearing, water-repellent polyester. Tailored to the dimensions of the roof box M

Ski rack insert

| for Mercedes-Benz roof box L |

A secure hold for up to five pairs of skis, subject to ski geometry. For Mercedes-Benz roof box L

Ski rack insert

| for Mercedes-Benz roof box M |

A secure hold for up to three pairs of skis, subject to ski geometry. For Mercedes-Benz roof box M | not pictured |

Transport bag for New Alustyle rail-mounted basic carrier bars

Robust bag, made from a high-quality nylon fabric. Protects the basic carrier bars and makes it easier to transport them

*Basic carrier bars

CARGO & CARE

Mercedes-Benz Bikes

These sporty and elegant bikes, with their exclusive Mercedes-Benz design, are suitable for everyday all-round use and for touring. For more detailed information, please see our “Mercedes-Benz Bikes” brochure

New Alustyle ski and snowboard rack “Standard”

For up to 4 pairs of skis or 2 snowboards. Lockable | pictured below |

New Alustyle ski and snowboard rack “Comfort”

For up to 6 pairs of skis or 4 snowboards. Lockable. Practical pull-out function makes loading and unloading easier | pictured left and right |

Coil locks

Designed to help prevent theft. Available as an option for the bicycle rack

- Bicycle rack*
- Coil locks*
- Coolbag*
- Coolbox*
- Ski bag*
- Ski/snowboard rack*

New Alustyle bicycle rack

Depending on the maximum roof load, up to four bicycle racks can be fitted per pair of basic carrier bars. Each bicycle rack can hold one bicycle with a max. frame diameter of 98 mm (circular frame tubes) or 110 x 70 mm (oval frame tubes). The support frame folds down when not in use, reducing drag when travelling without bicycles. Bicycles can either be attached to the rack once it has been fitted to the roof or before it is fitted | also pictured right |

The convenient design of the Mercedes-Benz bicycle rack allows the bicycle to be attached at ground level. The bicycle is simply mounted on the rail alongside the vehicle and both are then fitted to the basic carrier bars

Ski bag for interior

For up to four pairs of skis. With carrying strap and straps for attaching to load-securing rings in load compartment

Coolbox

| black/grey | Hard case with fabric cover featuring pockets for extra items. Cold/hot switch. Capacity: 24 litres. 12V connection. Adjustable carrying strap

Coolbag

| black | Fabric outside – plastic liner inside. Outside pockets offer plenty of room for extra items. Capacity: 12 litres. 12V connection. Adjustable carrying strap

CARGO & CARE

Rear-mounted bicycle rack for trailer hitch

The rear-mounted bicycle rack is easy to attach to the trailer coupling. A simple fold-down mechanism (pictured below left) means that the load compartment can still be opened. Basic version for two bicycles. Lockable. Optional extension for a third bicycle pictured below

The laden bicycle rack can be pivoted downwards, allowing the load compartment to be opened.

When the rear-mounted bicycle rack is unladen, simply fold down the vertical retaining bar to access the load compartment. This function also allows space-saving stowage of the rack when removed

Note: European bike holder is shown. Canadian versions does not have lights.

Trailer Hitch (Not shown)

Tow up to 7200 lbs. with this 2" Trailer Hitch kit. This complete package includes the electrical harness and is quality tested to meet Mercedes-Benz standards. The look and fit complements the styling of your M-Class.

Internal bicycle rack | for two bicycles up to max. wheel size of 26" |

The internal bicycle rack protects your bicycles from the elements and safeguards them against theft. Supplied with a practical, elegant bag which can be used to secure the removed front wheels in place during your journey
Please note: because bicycles vary significantly in design, it may be necessary to adjust or remove parts such as the handlebars, saddle, mudguards, etc. We therefore recommend that you test the rack's suitability before purchase

Extension kit for rear-mounted bicycle rack

Allows you to add a third bicycle

*Internal bicycle rack
Rear-mounted bicycle rack
Tow rod
Trailer hitch*

CARGO & CARE

Reversible mat with load sill protection

This reversible mat features high-quality velour on one side and non-slip rubber on the other. It not only helps keep the original floor of the load compartment clean but the integral load sill protection also protects the load sill from scratches. When the rear seats are folded flat, the reversible mat covers the entire load area

| available in black, alpaca grey and cashmere beige |

Stowage crate

Can be divided into four sections using the adjustable partitioning elements. Ideal for transporting objects you don't want to tip over or slide around. Full functionality only in conjunction with the shallow trunk tray

Shallow trunk tray

Simple to clean. Non-slip thanks to Perl-M material. Suitable for transporting foodstuffs

Concertina bags

Two bags made from robust, washable nylon, attached to a sturdy aluminium frame. The frames are simply slotted into the load system strips in either side of the load compartment floor. Each bag features two large stowage compartments and has two straps, making it easy to remove and carry

Deep trunk tray

The hygienic way to transport objects in the load compartment. Suitable for transporting foodstuffs

Non-slip mat

black | Non-slip mat made from oil and acid-resistant polyester. Designed to fit the contours of the load compartment

*Trunk trays
Concertina bags
Non-slip mat
Reversible mat

CARGO & CARE

Partition net

Separates the load compartment from the passenger compartment

Partition/divider

black | Three interconnecting steel mesh sections used to divide the load compartment and to shield the passenger compartment

Load compartment management system

The load compartment management system prevents objects from sliding around when you're on the move. Consisting of two frame elements, a swivel-mounted and adjustable net frame (with three settings) and a retaining strap and hooks which attach to the net frame

Luggage nets

Available for the floor of the load compartment, the side of the load compartment and the rear bench seat. Prevent lightweight objects from sliding around during your journey. All nets are in pocket format

Charger with trickle charge function

With its cutting-edge technology, the Mercedes-Benz charger ensures the longest possible battery life. Available in a 3.6 amp version

Tie-down strap

Even heavy objects can be secured in place easily using this strap

Luggage-securing feature

Ingenious solution to the problem of luggage sliding around in the load compartment. Attaches securely around the object in question thanks to Velcro fastening

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuance. Mercedes-Benz reserves the right to make changes at any time, without notice, in colours, materials, equipment, specifications and models. Any variations in colours shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-Canadian equipment. Vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-down hooks. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo.

Certain accessories may require additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories.

Call 1-800-387-0100 to obtain the Collection personal accessories catalogue or visit the www.thecollection.ca to shop online.
