126.039						
126.043						
126.044						
126.045						
126.120					-	-
126.125						

Observe "Spring adjustment" tables when installing springs!

¹⁾ Valid on vehicles with additional special equipment (see "Permissible combinations springs – rubber spacers").

²⁾ 1st version up to 08/88.

³⁾ 2nd version as of 09/88 with softer damping setting.
