

54-152 Electrical connections for special equipment

Allocation chart of connector block

Connection	Terminal	
1	30	to fuse 15
2	15	to fuse 8
3	31	Main ground W1 behind instrument cluster
4	58 d	To terminal block X6 or X6/1
5	15 R	To fuse 19

Arrangement of connector block in front left footwell.

54-152 Electrical connections for special equipment

Allocation chart of couplings

Special equipment	Allocation of coupling to connection No.
Central locking system	1, 3
EDW system	2, 3
Cigar lighter rear	2, 3, 4
Seat heater front and rear	3, 4, 5
Front passenger outside mirror	2, 3, 4
Left and right mirror heater	2, 3
Pop-up sliding roof	5

The couplings for special equipment can be fitted in any sequence.
